Hearing Date: May 14, 2001
Hearing Time: 1:00 p.m.

Upon the motion, dated May 13, 2001 (the "Motion"),[1] of the above-captioned debtors and debtors-in-possession (collectively, the "Debtors"), for an order under 11 U.S.C. §§ 105, 366, 503 and 507 (i) establishing procedures for determining requests by the Debtors' utility service providers (the "Utilities")[2] for additional adequate assurance and (ii) prohibiting the Utilities from altering, refusing or discontinuing services on account of outstanding prepetition invoices and/or requiring adequate assurance of payment as a condition of receiving services in the absence of the Utility's compliance with the Procedures; and upon the Affidavit of Stephen G. Hanks in Support of Chapter 11 Petitions and First Day Orders, sworn to on May 13, 2001, and the Court having determined that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors and other parties-in-interest; and upon the record herein; and after due deliberation thereon; and good and sufficient cause appearing therefor, it is hereby

ORDERED, ADJUDGED AND DECREED THAT:

1. The Motion is GRANTED.

---

[1] Unless otherwise defined herein, capitalized terms used herein shall have the meanings ascribed to them in the Motion.

[2] Each of the Utilities is a utility within the meaning of 11 U.S.C. § 366, including without limitation, the Utilities listed on Exhibit A attached hereto.

2. The Debtors shall pay, in accordance with their prepetition practices, all undisputed invoices for postpetition utility services provided by the Utilities to the Debtors.

3. Without further order of the Court, the Debtors are authorized, but not obligated, to pay any prepetition amounts owed to such Utilities in the ordinary course of business. Upon acceptance of any such payment, such Utility shall be deemed (i) to have adequate assurance of future payment and, (ii) notwithstanding any other provision in this Order, to have waived any right to seek additional adequate assurances in the form of a deposit or otherwise.

4. Absent any further order of the Court, the Utilities shall not (a) alter, refuse, or discontinue service to, or discriminate against, the Debtors, solely on the basis of the commencement of these cases or on account of any unpaid invoice for service provided prior to the commencement of these cases, and (b) require the payment of a deposit or other security in connection with the Utilities' continued provision of utility services, including, but not limited to, the furnishing of gas, heat, electricity, water, telephone, telecommunications or any other utility of like kind, to the Debtors.

5. The Debtors' prepetition payment practices with respect to their utility bills and ability to pay future utility bills constitute adequate assurance of future payment for utility services under 11 U.S.C. § 366(b).

6. The Debtors shall serve a signed copy of this Order upon each of the Utilities listed on Exhibit A attached hereto, at the addresses listed thereon, by first-class mail, postage prepaid, within five (5) business days of the entry of this Order.

7. This Order is without prejudice to the rights of any Utility to request from the Debtors additional adequate assurance in the form of deposits or other security; provided, however, that any such request (i) must be made in writing, (ii) must include (a) the account number of each account for which the Utility is seeking additional adequate assurance, (b) the outstanding balance of each account for which the Utility is seeking additional adequate assurance and (c) a summary of the Debtors' payment history, by account, of each account for which the Utility is seeking additional adequate assurance and (iii) must be received by the Debtors and the Debtors' counsel, Skadden, Arps, Slate, Meagher & Flom LLP, One Rodney Square, P.O. Box 636, Wilmington, Delaware 19899-0636 (Attn: Gregg M. Galardi, Esq.) within thirty (30) days of the date of service hereof. Any request for additional adequate assurance of payment failing to meet these requirements shall be deemed an invalid adequate assurance request.

8. If the Debtors believe that a request for additional adequate assurance made by a Utility, which otherwise satisfies the requirements set forth above, is unreasonable, and

the Debtors are unable to resolve the Request consensually with the Utility, then upon the written request of the Utility, the Debtors will file a motion for determination of adequate assurance of payment (the "Determination Motion") and set such Determination Motion for hearing (the "Determination Hearing") at the next regularly-scheduled omnibus hearing occurring more than twenty (20) days after (i) the date of such request or (ii) the date of entry of this Order, whichever date is later, unless another hearing date is agreed to by the parties or ordered by the Court.

9. Once a Determination Motion has been filed or a Determination Hearing scheduled, pursuant to a Utility's request for additional adequate assurance, that Utility shall be deemed to have adequate assurance of payment under section 366 of the Bankruptcy Code until the Court enters a final order in connection with such a request finding that the Utility is not adequately assured of future payment. Any Utility that does not timely request additional adequate assurance is deemed to have adequate assurance under section 366 of the Bankruptcy Code.

10. Any Utility not listed on Exhibit A to this Order but subsequently identified shall be served with a copy of the Motion and this signed Order. Any Utility not listed on Exhibit A to this Order, but subsequently identified and served, shall be afforded thirty (30) days from (i) the date of such service or (ii) the date of entry of this Order, which ever date is later,

to make a Request to the Debtors for additional adequate assurance. Such a request must otherwise comply with the requirements set forth above or shall be deemed an invalid adequate assurance request. This Order will be deemed to apply to such Utilities from the date of service, subject to a later order of the Court on a motion for determination.

11. Substantially contemporaneously with the service of the Motion and Order as described in the preceding paragraph, the Debtors shall file with the Court a supplement to Exhibit A to this Order adding the name of the Utility so served.
