

Mortgage Modification Mediation (MMM) Program Procedures
United States Bankruptcy Court, District of Nevada

DRAFT NOVEMBER 1, 2016

I. Purpose – These procedures and forms implement the Mortgage Modification Mediation (MMM) Program pursuant to Local Rule 3015.1. The MMM Program is designed to function as a forum for individual debtors to explore mortgage modification options with their lenders for real property in which the debtor has an interest or is obligated on the promissory note or mortgage. The goal of the MMM Program is to facilitate communication and exchange of information in a confidential setting and encourage the parties to finalize a feasible and beneficial agreement under the supervision of the United States Bankruptcy Court for the District of Nevada.

II. Definitions – The following definitions shall be applicable to the MMM procedures.

- A. **Debtor** – Debtor includes an individual debtor, or both debtors in a joint petition.
- B. **Lender** – Lender is the current beneficiary and payee of the promissory note secured by the deed of trust, and/or its mortgage servicing agent.
- C. **Required Parties** – Required Parties include, when applicable, Debtor, Debtor’s attorney, Lender, Lender’s Nevada legal counsel, any co-obligor, co-borrower or third-party obligor, and the Mediator (also referred to as “parties” in these procedures).
- D. **Debtor’s Prepared Package** – Debtor’s initial loan modification forms completed using the court-approved Document Preparation Software, and the supporting documentation required for submission to Lender for review through the MMM Portal.
- E. **Completed Package** – Debtor’s Prepared Package along with any additional documents or information specified by Lender on the MMM Portal.

III. General Duties of Parties

- A. **Conduit Payment Requirement** – A Debtor participating in the MMM Program is required to pay all post-petition installment payments to Lender through the Chapter 13 Trustee as conduit payments including, but not limited to, ongoing mortgage payments, trial loan modification payments, final loan modification payments, adequate protection payments, arrearages, and post-petition fees and costs (if any).
- B. **Duration of MMM Program** – The entire MMM Program proceedings in a case should be completed no later than one hundred and fifty (150) days after entry of the Order referring the case to the MMM Program, unless agreed to by the parties on the MMM Portal or extended by an order of the Court. If the parties reach a trial loan modification agreement through the MMM Program, this deadline may be extended for Debtor’s completion of trial period payments and the execution of a final loan modification.

- C. Good Faith – All Required Parties, their attorneys, and the Mediator shall act in good faith throughout the entirety of the MMM Program. If any party fails to comply timely and in full with the deadlines and requirements of the MMM Program, then upon motion filed by a party or the Chapter 13 Trustee the Court may impose appropriate sanctions after notice and a hearing.
- D. Compliance with Bankruptcy Code and Rules – Nothing in these procedures shall relieve Debtor, Lender, Required Parties, the Mediator, or any other party in interest from complying with orders of the Court, the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, or any local rules or administrative rules.

IV. **MMM Portal, Document Preparation Software, and MMM Forms** – The Court has mandated the use of a secure online portal (the “MMM Portal”), an online program that facilitates the preparation of the Debtor’s loan modification package (the “Document Preparation Software”), and Local MMM Forms in an effort to expedite the exchange of information between Debtor and Lender.

- A. Approved Portal Vendor – The MMM Portal vendor approved by the Court is managed and maintained by Default Mitigation Management, LLC (DMM).
 - 1. The MMM Portal can be accessed at www.dclmwp.com.
 - 2. The court-approved Document Preparation Software can be accessed through the MMM Portal or at www.documods.com.
- B. Purpose – Submitting documents to the MMM Portal provides transparency in the mortgage modification process by making information immediately available to all parties through a secure internet website. The use of the Document Preparation Software further ensures that Debtor’s initial submission to Lender is complete and accurate, and should expedite the Lender’s review.
 - 1. The use of the MMM Portal and the Document Preparation Software is intended to eliminate the need for multiple submissions of documents that were not received and unnecessary delay based upon incomplete documentation.
 - 2. The Court’s webpage on the MMM Program includes MMM Portal training materials on mortgage modification, including contact information for the MMM Portal vendor and information on the Document Preparation Software.
 - 3. Free training on the use of the MMM Portal will be available to all Lenders and attorneys.
- C. Required Use of MMM Portal – Unless otherwise permitted by the Court or agreed by the parties and the Mediator, all communication between the parties shall be sent exclusively through the MMM Portal.
- D. Exceptions to MMM Portal Requirement – Any litigated matters incidental to the mediation shall be considered separate from MMM and not subject to the MMM Portal communication requirement. (For example, a motion to compel mediation or motions

related to discovery shall be filed in the main bankruptcy case and not through the MMM Portal.)

- E. Required Use of MMM Forms – Unless otherwise permitted by the Court, the MMM Forms prescribed by these procedures shall be used without alteration. The Forms shall not be modified to affect the wording, substance, or the order of information presented in the Forms.

XIV. Effect of Mediation

A. Automatic Stay

1. Upon entry of the Order referring the case to the MMM Program, the automatic stay as provided for under 11 U.S.C. § 362(a) is modified to the extent necessary to facilitate the MMM Program, unless otherwise ordered by the Court.
2. After entry of the Order referring the case to the MMM Program, unless the Court orders otherwise, all pending motions for relief from the automatic stay with respect to real property subject to the MMM Program shall be continued until after such time that the MMM Program is completed. Unless otherwise ordered by the Court, the pendency of the MMM Program shall constitute good cause and compelling circumstances under 11 U.S.C. § 362(e) to delay the entry of any final decision on a

pending motion for relief from stay with respect to real property subject to the MMM Program.

3. During the pendency of the MMM Program, no motion for relief from stay shall be filed on an *ex parte* basis with respect to real property subject to the MMM Program. Any party seeking relief from the automatic stay prior to the conclusion of the MMM Program shall, in a motion filed, served, and noticed for hearing pursuant to Local Rule 9014, set forth the reasons why relief is appropriate prior to the conclusion of the MMM Program.
- B. No Delay – Referral of a case to the MMM Program does not relieve the parties from complying with any other Court orders or applicable provisions of the United States Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, General Orders or the Bankruptcy Local Rules. Notwithstanding a matter being referred to the MMM Program, proceedings in the bankruptcy case shall not be stayed or delayed without further order of the Court.
 - C. Closing – If Debtor’s bankruptcy case is otherwise in a posture for administrative closing, the case shall remain open during the pendency of the MMM Program, unless otherwise ordered by the Court.

XV. Mediator Procedures, Compensation, and Responsibilities

- A. Court Approval of Mediators – The Court will approve a minimum number of ten (10) Mediators to be available for participation in the MMM Program for each calendar year. The minimum number of Mediators may be modified by the Court in the exercise of its discretion. Mediator approval will be based upon the application and qualifications set forth in Section XV(B) of these procedures. Selected Mediators will be listed in the Court’s Register of Mediators pursuant to Section XV(B) of these procedures.
- B. Registration of Mediators – The Clerk of the Court will establish and maintain a register of qualified individuals who have been approved by the Court to serve as Mediators for the MMM Program (the “Register of Mediators”). Mediators approved by the Court will be listed on the Register of Mediators for a duration of one (1) year commencing January 1st of each year. Mediators must reapply each year. Following approval from the Court, Mediators must register directly on the MMM Portal so that Debtor may designate the Mediator and provide access to Debtor’s submissions on the MMM Portal. Any Mediator not listed on the Register of Mediators will not be approved for access to the MMM Portal. The Clerk will provide viewing access to each approved Mediator’s completed application.
 1. Minimum Qualifications – In order to be eligible for consideration as a Mediator in the MMM Program, a mediator must be:
 - a. A registered user on PACER and CM/ECF; and
 - b. Either:

- i. An active and licensed member of the State Bar of Nevada and admitted to practice law in a state court or federal court within Nevada for at least the past **five (5)** years; or
 - ii. A retired Nevada state court or federal court judge; or
 - iii. A Mediator previously approved under MMM Procedures promulgated by the Court for the U.S. Bankruptcy Court, District of Nevada.
