REDACTIONS

In order to redact personal data identifiers from a document other than a transcript, a party must file a **Notice of Redaction** instead of a motion and order. The redacted document must be included as an attachment to the Notice.

Procedures can be found at: <https://www.nvb.uscourts.gov/electronic-case-filing/resources-documentation/procedures/redaction-previously-filed-document/>.

Any request to redact information other than personal data identifiers, as defined by Fed. R. Bankr. P. 9037(a), must be submitted to the court by motion.

To redact transcripts, the procedures can be found here: <https://www.nvb.uscourts.gov/case-info/transcripts-compact-discs/redaction-requests/>.

See [Local Rule 9037](#) for more information.

CASE CAPTIONS

All case captions must match the Bankruptcy Court's official docket. If any part of the debtor's name is missing or does not exactly match the court's docket, the pleading may be returned or receive a Notice of Docketing Error (NODE).

Filing an amended complaint will not itself change the docket sheet, counsel must move the court for an order if the case caption needs to be changed.
