TRANSCRIPTS

Only Court appointed transcript companies are authorized to create the official transcript of a court hearing. In 2007, the Judicial Conference approved the requirement that all transcripts are only available at the office of the Clerk of Court for inspection for a period of 90 days after it is delivered to the clerk. During this time, it is not available electronically. After the 90 days have passed, the transcript can then be made available to the general public through PACER. Authorized transcript companies are given a specific event to use in CM/ECF to meet the Judicial Conference requirements.

If an unauthorized transcript is docketed, an Order to Strike may be entered.
