HIGH VOLUME BANKRUPTCY NOTICING RECIPIENTS

On December 1, 2021, the Director of the Administrative Office of the United States Courts started designating any entity that receives 100 or more paper bankruptcy notices in a single calendar month as a high-volume paper notice recipient pursuant to [Fed. R. Bankr. P. 9036\(b\)\(2\)\(B\) \(as amended effective December 1, 2021\)](https://www.federalregister.gov/documents/2021/12/01/2021-24333/federal-rules-of-bankruptcy-procedure).

The threshold number of paper notices that will cause a notice recipient to be designated as a high-volume paper notice recipient pursuant to Rule 9036 will be reviewed annually and may be adjusted once a year, effective on December 1st of each year. Once the threshold paper notice amount is reached, the Bankruptcy Noticing Center (BNC) will notify the notice recipient that it must register for Electronic Bankruptcy Noticing or that, if the recipient does not register within 45 days of the date of the notification, the BNC will establish an electronic address where the Director designates the recipient to receive its notices pursuant to Rule 9036. If the entity does not comply, an Order to Show Cause to explain why may be issued by the Court.

To register for electronic notices from the court, visit <https://bankruptcynotices.uscourts.gov/>. Click “Sign up for service today” and you will be prompted to complete registration.

REDACTIONS OF PERSONAL IDENTIFIERS

Bankruptcy cases and related adversary proceedings are public records. Certain personally identifiable information must be redacted from documents before they are filed per Federal Rule of Bankruptcy Procedure 9037. When you redact these identifiers, you are removing part of the information from your document so that it cannot be used to steal your identity or the identity of others. As the document filer, **you are solely responsible for ensuring that information is redacted.**

In order to redact personal data identifiers from a document **other than a transcript**, a party must file a Notice of Redaction instead of a motion and order. The redacted document must be included as an attachment to the Notice.

Procedures can be found at: <https://www.nvb.uscourts.gov/electronic-case-filing/resources-documentation/procedures/redaction-previously-filed-document/>.

Any request to redact information other than personal data identifiers, as defined by Fed. R. Bankr. P. 9037(a), must be submitted to the court by motion.

To redact transcripts, the procedures can be found here: <https://www.nvb.uscourts.gov/case-info/transcripts-compact-discs/redaction-requests/>.

See [Local Rule 9037](#) for more information.
