## **BIFURCATING A JOINT CASE**

When a joint case needs to be bifurcated (split), docket a Motion to Bifurcate with the required fee.

In instances where an order allows a joint debtor to bifurcate or split from a case so one debtor can convert their case, after the new case is opened by clerk's office staff, it will reflect the conversion.

If an order grants the dismissal of one joint debtor and the other will continue in bankruptcy, then no motion for bifurcation is needed. Clerk's office staff will dismiss the party.
