## **REQUEST FOR PUBLIC COMMENT ON PROPOSED NATIONAL RULES AND FORMS AMENDMENTS**

The Judicial Conference Committee on Rules of Practice and Procedure (Standing Committee) have proposed amendments to their respective rules and forms, and requested that the proposals be circulated to the bench, bar, and public for comment. The public comment period ends February 17, 2025.

To view the proposed revisions, reports explaining the proposed changes, as well as information about submitting written comments or testimony at public hearings, please visit the Rules & Policies webpage on the U.S. Courts' website at <https://www.uscourts.gov/rules-policies/proposed-amendments-published-public-comment>.

## **SCHEDULES AND STATEMENTS FILED AFTER INITIAL CASE OPENING**

A reminder that if you include schedules and statements in one PDF after the initial case opening in CM/ECF, you need to select all the different events that are included in that PDF. Do not just pick "Schedules" from the event menu and/or fail to include the PDF in its entirety.

In order to docket multiple events, you must select the first event, then hold down the CTRL key and click the additional events so they are all highlighted at the same time. Make sure each document attached is reflected correctly in the box to the right before you submit for docketing.

If you have any questions on how to docket, please call the ECF Help Desk at (866) 232-1266.

## **NOTICE OF REMOVAL**

A Notice of Removal is treated as a NEW Adversary in CM/ECF, and must be opened as such. It is NOT to be docketed under "Notice" and enhanced to say "Removal."

To open a new Adversary, under Adversary > Open an Adversary Proceeding > select "n" from the complaint drop down box and continue opening the new Removal.
