DISCLAIMER: *The post-judgment interest rates listed in this document are provided for informational purposes only. Although every effort is made to ensure accuracy, the Court does not warrant that the rates or date ranges are free from error. Pursuant to 28 U.S.C. § 1961, post-judgment interest is determined by the weekly average 1-year constant maturity Treasury yield published by the Federal Reserve for the calendar week preceding the date of the judgment. In the event of any discrepancy, the rate published by the Federal Reserve and the applicable statute shall control. Parties are responsible for independently verifying the applicable rate and performing their own interest calculations. The Court assumes no responsibility for errors in interest computations prepared by parties or counsel.*
